

Shipping Lunchtime Lecture Series

The Baltic Exchange and Institute of Chartered Shipbrokers present a series of bi-monthly lectures in Shanghai, Singapore and London for brokers and operations professionals.

Thought leaders will share views on industry events, trends, tools, and best practice covering areas from maritime law and insurance to financial instruments and technology. Bring into sharp focus, the tools and issues that clients base trading decisions on and develop your understanding of best practice in broking through learning from industry experts.

Free to Baltic and Institute Members

Non-members:

£100 London / SG\$100 Singapore /
¥500 Shanghai / €100 Athens
Light lunch included

Attendees must register by email to
membership@ics.org.uk

Reference codes: BXICS04L / BXICS04SG / BXICS04SH /
BXICS04A (please use code relevant to your city)

UPCOMING LECTURE

28 March 2018 / 13:00–14:30

P&I CLUBS AND FDD COVER

Shanghai: Gary Chen, Director – China,
North of England P&I Club

Singapore: Lee Wai Pong - Regional Advisor, UK P&I Club
Experts from the P&I world uncover the resources, structure and risks involved in this unique form of insurance. From charterparty to casualty, join the experts as they explain workings of a club, how they provide cover for members and examine liabilities and response at each stage of the claims process.

TRADING TOOLS: POSITIONING AND RISK

London: Join Peter Andersen, Senior Director, Genscape in analysing reactions and commercial decisions in the run-up to the American grain and hurricane seasons. Using satellite technology, big data and infrastructure monitoring, how do traders and owners approach opportunity and risk through these cycles and what impact did these have on freight rates as commodity and weather news broke throughout 2017.

LATER IN THE SERIES

30 May 2018 (BXICS05 + relevant city code)

Money walks / money talks

A masterclass in the hedging and financial instruments used by shipping principals
Singapore: Raghu Raghunath, Former Head of Noble Chartering Ltd
London: John Banaskiewicz, MD, Freight Investor Services

Shipping supply demand dynamics

Join our guest analysts as they examine the economic factors that have caused the major changes in shipping rates over the past 12 months and look into what they anticipate will cause the most impact on freight markets throughout the remainder of 2018.

Shanghai: Speaker tbc
Athens: Speaker tbc
