Following the Baltic Briefing on Bunkers the Baltic Wine Society will host a Wine Tasting of Italy Night in the Members Bar.

Wine Enthusiast, David Hughes will steer tasters through a journey from the wine terraces of the snowy Tyrolean Alps to the southern soaked isles of Italy, trying exciting new and sophisticated old varieties of grape, all of which at varying stages have helped shape the modern day world of wine.

Accompanied by Mediterranean nibbles, all employees of member companies and their guests are welcome.

£25 for 7 wines and tapas
